Caring for our Community

Steve and Susan Blake have had personal experience with the care at Delta Hospital, and they know firsthand the importance of having quality healthcare available close to home.

They see our hospital as the lifeline of the community - a place that will be there for all of us when we most need it.

As conscientious community philanthropists they wanted to be sure that their donation would directly benefit the Delta community for years to come.

This is why they made a gift to the Results: Healthy & Growing Campaign to expand and enhance Delta Hospital's Medical Imaging and Laboratory Departments.
