## COMMUNITY LEADERS

Moving to Tsawwassen over 20 years ago, Keith and Marilyn McGee watched this community go through many changes. But what has always remained constant is the special and compassionate care that Delta Hospital has given to their family and loved ones.

As the Chair of the Delta Hospital Foundation Board & Campaign Committee, Keith sees how gifts transform patient care and how the money raised supports the amazing work our physicians, surgeons, nurse, and medical staff perform.

Keith and Marilyn believe that Delta Hospital is the keystone of the community. This is why they made a gift to the **Results: Healthy & Growing Campaign** to expand and enhance Delta Hospital's Medical Imaging and Laboratory Departments.
