A Gift
of

Life Insurance

A gift of life insurance is one way you can leave a legacy to the Delta Hospital and Community Health Foundation. For a relatively small cost to you through annual premiums your gift can make a significant impact for the people we help at Delta Hospital.

Making a Gift of Life Insurance

A gift of life insurance is simple, understandable, and a very easy way to make a future gift to Delta Hospital and Community Health Foundation. There are three ways you can arrange to make your gift of life insurance.

- You may name the Delta Hospital and Community Health Foundation the owner and beneficiary of an existing life insurance policy that is paid up.
- You may name the Delta Hospital and Community Health Foundation the owner and beneficiary of a new life insurance policy that still has premiums payable.
- You may also name the Delta Hospital and Community Health Foundation the beneficiary of your life insurance policy but still retain the ownership.

Benefits of a gift of Life Insurance

Depending on the type of gift you have arranged with Delta Hospital and Community Health Foundation you may be eligible for an immediate tax receipt.

To receive immediate tax savings on an existing policy you hold, you would need to transfer the ownership and beneficiary designation to Delta Hospital and Community Health Foundation. In this case your life insurance policy is irrevocable and you would receive a tax receipt for premiums paid after the transfer date. If you have an existing policy that is paid up you are eligible for a tax receipt for the fair market value of your life insurance policy.

FOUNDATION

A Gift
of

Life Insurance

If you choose to name the Delta Hospital and Community Health Foundation as a beneficiary we cannot offer any immediate tax savings. However, your estate would be eligible for a tax receipt once the proceeds of your life insurance policy have been received by the Foundation.

We strongly encourage you to discuss your charitable intentions with loved ones and to always seek financial advice when making a gift of life insurance.
