MESSAGE FROM DELTA HOSPITAL AND COMMUNITY HEALTH FOUNDATION

On behalf of Delta Hospital and Community Health Foundation, we are honoured to welcome you to our Century Group Delta Health Classic. This is an especially exciting year as we are celebrating our 24th annual event in support of the most critical needs of the Delta Hospital Campus of Care. We are so thankful to our amazing community who has helped us raise almost \$2.5 million NET to date through this tournament. The goal of this year's event is to raise funds for urology related needs including instruments to support a Greenlight Laser System in surgical services at Delta Hospital.

We would like to give a big thank you to our generous sponsors, donors, participants, and volunteers. Your incredible support makes a profound difference for patient care at Delta Hospital. We extend a special heartfelt thank you to the Century Group family who has supported Delta Hospital and Community Health Foundation for over a quarter of a century. We are honoured to celebrate their 9th year as Title Sponsor of the tournament! Not only do we appreciate their generous sponsorship, we also want to thank their dedicated staff who volunteer countless hours to ensure the tournament is a success.

We also want to give thanks to this year's other lead sponsors, Delta Agricultural Society (Platinum Sponsor), Assante Wealth Management / Rich Widdifield (19th Hole Reception Sponsor), and Westshore Terminals (Gold Sponsor).

Delta Hospital is an exceptional community hospital with an outstanding and devoted medical team. With your support today, we can ensure the latest and greatest in surgical equipment for our community.

Let's make our 24th annual event a record year as we encourage you once again to bid liberally and give generously! We hope that you enjoy the Rock 'n' Roll themed event and we thank you for your generosity!

MESSAGE FROM OUR TITLE SPONSOR

Thank you to everyone that has been involved in making this latest Century Group Delta Health Classic a successful event. As well as having fun, the job will not be over until we raise significant funds for the Delta Hospital and Community Health Foundation.

We all have seen how health care in the province is under increasing stress from a lack of staff and resources. We have managed to largely buck the trend in Delta in great part because the community of Delta is united in supporting the Delta Hospital and Community Health Foundation with the resources needed to supplement what sometimes cannot be done through public funding.

We are thankful to be part of that community that comes together to make the Delta Hospital Campus of Care the success that it is.

Sincerely,

Sean Hodgins, President
