## MESSAGE FROM DELTA HOSPITAL AND COMMUNITY HEALTH FOUNDATION

On behalf of Delta Hospital and Community Health Foundation (DHCH Foundation), we are honoured to welcome all of you to the 25th Anniversary Moonlight Gala, 'There's no place like home'.

The Moonlight Gala is our largest signature fundraising event and brings together more than 350 community leaders dedicated to improving the health of all who live and work in Delta. Funds raised at this year's Moonlight Gala will be directed to the Foundation's 'Coming Home' capital campaign, supporting the new Beedie Long Term Care Centre at the Delta Hospital Campus of Care.

Thanks to generous donors, the Foundation has raised over \$82 million towards the purchase of critically needed medical equipment, capital improvements and education needs for the Delta Hospital Campus of Care which includes Delta Hospital, Mountain View Manor, Irene Thomas Hospice and the greater community of Delta.

Tonight, we are honoured to give special recognition to the Delta Hospital Auxiliary Society as this year's recipient of the Moonlight Gala Tribute Award sponsored by Vancouver Fraser Port Authority proudly representing the Port of Vancouver. Their remarkable support has had a significant impact on healthcare in our community.

We would like to extend a sincere thank you to our sponsors, donors, attendees, and volunteers of the Moonlight Gala. Your dedication and commitment make a profound difference for patient care at the Delta Hospital Campus of Care. Let's make this an event to remember in support of the new Beedie Long Term Care Centre!

We hope you enjoy the evening.

Sincerely,

**Andrew Jackson**

For 25 years, the Moonlight Gala has been instrumental in securing vital equipment and funding capital projects at the Delta Hospital Campus of Care. This year's 'Coming Home' capital campaign will support the new Beedie Long Term Care Centre.

A heartfelt thank you to the Delta Hospital and Community Health Foundation Board of Directors, staff, sponsors, and everyone who made this evening possible. Together, we're building a stronger, healthier Delta.
